

GCSE D&T: Systems and Control Technology 3546

Centre name:

Centre no:

--	--	--	--	--

Candidate name:

Candidate no:

--	--	--	--

This side is to be completed by the candidate

Sources of advice and information

1. Have you received any help or information from anyone other than your subject teacher(s) in the production of this work? (Write YES or NO)
2. If you have answered YES, give details below. Continue on a separate sheet if necessary.
.....
3. If you have used any books, information leaflets or other materials (e.g. videos, software packages or information from the Internet) to help you complete this work, you must list these below, unless they are clearly acknowledged in the work itself. To present material copied from books or other sources without acknowledgement will be regarded as deliberate deception.
.....
.....

NOTICE TO CANDIDATE

The work you submit for assessment must be your own.

If you copy from someone else or allow another candidate to copy from you, or if you cheat in any other way, you may be disqualified from at least the subject concerned.

Declaration by candidate

I have read and understood the Notice to Candidate (above). I have produced the attached work without assistance other than that which is acceptable under the scheme of assessment.

As part of AQA's commitment to assist students, AQA may make your coursework available on a strictly anonymous basis to teachers, examining staff and students in paper form or electronically, through the Internet or other means, for the purpose of indicating a typical mark or for other educational purposes. In the unlikely event that your coursework is made available for the purposes stated above, you may object to this at any time and we will remove the work on reasonable notice. If you have any concerns, please contact crf@aqa.org.uk

Candidate's signature:

Date:

This form should be completed and attached to the candidate's work and retained at the Centre or sent to the moderator as required.

PTO

Designing skills	<i>Comments should be added where they will help with the interpretation of work</i>	Grade
Research		
Analysis (of problem/task and research)		
Specification		
Generation of ideas		
Development of solution		
Planning of making		
Evaluation, testing and modification

Social issues, industrial practices and systems and control (including the use of CAD)		
	Final Designing grade	

Making skills	<i>Comments should be added where they will help with the interpretation of work</i>	Grade
Correction of working errors (where needed) including modifications		
Use of appropriate equipment and processes (including the use of CAM)		
Production and effectiveness of outcome		
Level of accuracy and finish		
Use of Quality Assurance (QA) and Quality Control (QC)		
Final Making grade		

This side is to be completed by the teacher

The grades and marks for the project must be awarded in accordance with the instructions and criteria in section 16 of the specification.

Please complete the table below.

1	Designing grade	
2	Making grade	
3	Matrix mark (max 90)	
4	QWC mark (max 5)	
5	Total mark (3+4)	

Supporting information to show how the final assessment has been arrived at should be given briefly in the form of annotation on pages 2 and 3 and additional information given in the space below where necessary.

Additional assistance given (if any)

Record below details of any assistance given to this candidate which is beyond that given to the class as a whole and beyond that described in the specification.

Declaration by teacher

I confirm that the candidate's work was conducted under the conditions laid out by the specification.

I have authenticated the candidate's work and am satisfied that to the best of my knowledge the work produced is solely that of the candidate.
