### NOTICE TO CANDIDATE

The work you submit for assessment must be your own.

If you copy from someone else or allow another candidate to copy from you, or if you cheat in any other way, you may be disqualified from at least the subject concerned.

### Declaration by candidate

I have read and understood the Notice to Candidate (above) or have had its meaning explained to me. I have produced the attached work without assistance other than that which is acceptable under the scheme of assessment.

As part of AQA's commitment to assist students, AQA may make your coursework available on a strictly anonymous basis to teachers, examining staff and students in paper form or electronically, through the Internet or other means, for the purpose of indicating a typical mark or for other educational purposes. In the unlikely event that your coursework is made available for the purposes stated above, you may object to this at any time and we will remove the work on reasonable notice. If you have any concerns, please contact crf@aqa.org.uk

**Details of additional assistance given (if any)**  
 Record here details of any assistance given to this candidate which is beyond that given to the class as a whole and beyond that described in the specification. Continue on a separate sheet if necessary.

**Declaration by the teacher**

Further to the *Centre Declaration Sheet* statement about help given to candidates, any teacher assistance has been limited to the use of strategies to improve accessibility such as:

- the rephrasing of questions or tasks which have not been understood;
- the explanation of terms or phrases used in questions or tasks, where such explanation does not, in itself, provide the information which the candidate must supply;
- the provision of feedback in relation to inappropriate or inadequate answers given by the candidate, where such feedback does not, in itself, provide the information which the candidate must supply.

I confirm that the candidate's work was conducted under the conditions laid out by the specification.

I have authenticated the candidate's work and am satisfied that to the best of my knowledge the work produced is solely that of the candidate.
