Sources of advice and information

1. Have you received any help or information from anyone other than your subject teacher(s) in the production of this work? (Write YES or NO)
2. If you have answered YES, give details below. Continue on a separate sheet if necessary.
.....
3. If you have used any books, information leaflets or other materials (e.g. videos, software packages or information from the Internet) to help you complete this work, you must list these below, unless they are clearly acknowledged in the work itself. To present material copied from books or other sources without acknowledgement will be regarded as deliberate deception.

NOTICE TO CANDIDATE

The work you submit for assessment must be your own.

If you copy from someone else or allow another candidate to copy from you, or if you cheat in any other way, you may be disqualified from at least the subject concerned.

Declaration by candidate

I have read and understood the Notice to Candidate (above). I have produced the attached work without assistance other than that which is acceptable under the scheme of assessment.

As part of AQA's commitment to assist students, AQA may make your coursework available on a strictly anonymous basis to teachers, examining staff and students in paper form or electronically, through the Internet or other means, for the purpose of indicating a typical mark or for other educational purposes. In the unlikely event that your coursework is made available for the purposes stated above, you may object to this at any time and we will remove the work on reasonable notice. If you have any concerns, please contact AQA.

This form should be completed and attached to the candidate's work and retained at the Centre or sent to the moderator as required

PTO

This side is to be completed by the teacher

Teachers should use this form to record all the marks awarded to a candidate for the work submitted for the unit, to enable the moderator to ascertain how the final mark was reached.

Marks must be awarded in accordance with the instructions and criteria in the subject content section in the specification.

Supporting information to show how the marks have been awarded should be given in the form of annotations on the candidate's work.

Add any appropriate summative comments in the space below.
