Internal standardisation of marking

Each centre must standardise assessment across different teachers/assessors and teaching groups to ensure that all candidates at the centre have been judged against the same standards.

If two or more teachers/assessors are involved in marking/assessing, one of them must be designated as responsible for standardising the assessments of all teachers/assessors at the centre.

I confirm that *[tick either (a) or (b)]*

(a) the procedure described in the specification has been followed at this centre to ensure that the assessments are of the same standard for all candidates; or

(b) I have marked/assessed the work of all candidates.
