

Exams Officers training offer

LIVE CPD

Introducing the JCQ General Regulations and the ICE

The exams cycle

Access arrangements and special consideration

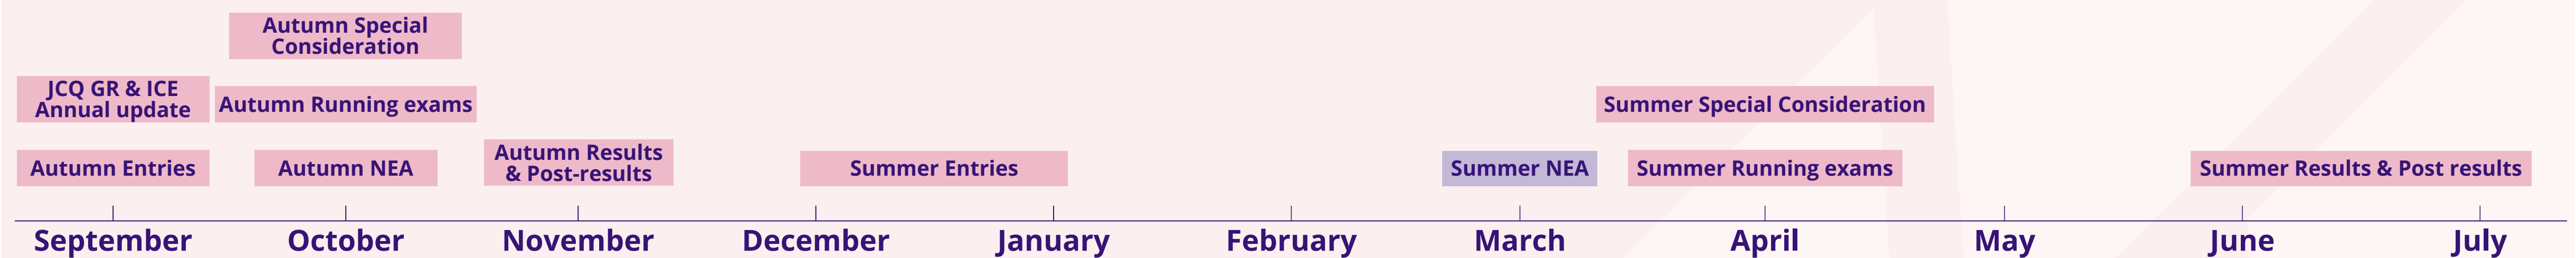

Safeguarding and your wellbeing

Attend our free New Exams Officer training sessions

In-person over 2 consecutive days, get to meet other exams officers and engage in-person with our members from our Exams Officer Engagement team or **Online** over 2 days. To make the most of these sessions you will need a camera, microphone and a quiet room.

A number of dates and locations for in-person training are available to book on the AQA website: [AQA | Professional Development | Course Finder | Exams Officers](#)

New and Experienced Exams Officers Online Webinars

Book onto our webinars, designed to support you at the right time ahead of the Autumn and Summer series. Several dates are available throughout the year for you to book on the AQA website: [AQA | Professional Development | Course Finder | Exams Officers](#). All of our training is free of charge and delivered by members from the Exams Officer Engagement team.

New exams officers join us for a 90-minute webinar for each topic looking in-depth at how the different exam processes work, plus time for a Q&A with our experts.

Experienced exams officers join us for a 60-minute webinar for a refresher and Q&A with our experts.

ON-DEMAND TRAINING

Webinar recordings and bitesize guides

Webinar recordings of the key content and step by step **Bitesize guides** to support you in administering exams with AQA.

All made available for you to watch on your own time on our website at [AQA Exams Officer Training Videos](#).

e-learning modules

Flexible online learning you can complete in your own time.

Build practical skills in prioritisation, organisation, managing change and resilience to help you navigate a sector that is constantly evolving. More information can be found on the AQA website: [AQA | Professional Development | Course Finder | Professional Skills](#)

Exams Officer podcast

Cover topics across:

- NEA
- Access arrangements
- Curriculum reform
- Scripts and more...

Catch-up with Gemma Miller (Exams Officer Engagement Manager) and the experts from across AQA to learn more about key exams topics and what AQA does behind the scenes: [Exams officer podcasts | AQA](#)

Website and New Exams Officer Hub

Visit our website for clear, practical guidance to support you throughout the year: [AQA | Exams Admin](#)

Our New Exams Officer Hub offers monthly guidance and practical support to help you manage AQA exams with confidence: [AQA | Exams Admin | New Exams Officer Hub](#)
