Where AI tools are used, in the box below please indicate:

- **The AI tool used**, including version and access link
- **Prompts or search terms entered** to generate content
- **Short description** of how AI content was adapted, refined, and integrated into their own work

e.g. <https://chatgpt.com> (4.0) was used to generate preliminary research on my chosen topic. It generated sources 2 & 3 which were used as part of my research. Prompt used was 'Give me some information and sources relating to <subject>'

I have read and understood the above. I confirm I produced the attached work without assistance other than that which is acceptable under the scheme of assessment and that I have not used as material for my research project either of the works I have studied for Paper 2.
